Where Families Meet Up, Socialise, Discover and Have Fun TOGETHER :)

About Us! ⊗

Family Friendly is a community based platform where Families can get together and enjoy activities.
It promotes Togetherness, mobility, physical and mental health.
Here you can Join activities created by your community and have a good time !
You can as well create an activity and encourage people to got out :).
There is as well a support page where you will find useful contacts, parenting advices and the access to a forum where you can ask questions and discuss ;).

Boost your child self-esteem:
- Kids start developing their sense of self as babies when they see themselves through their parents' eyes.
- Praising accomplishments, however small, will make them feel proud.

More Info

Pain Management

Teething:
- Try giving your baby something to chew on such as a cool teething ring.
- Massage your child's sore gums with a sugar-free teething gel.
- Use mild sugar-free pain relief if your child wakes at night and is irritable.

Question

Education

How do you cope with unresponsive children?

My children seems very frustrated lately and do not listen at all to me. It is like I cannot go through to them and they are always angry.
It makes all our lives difficult and I would like to know what could I do to change that?
